

48/4863 Valentine Heart Fleece Tied Pillow Craft Kit

1. Lay one fleece panel on your work surface. Lay the other panel on top, making sure that the fringe from both pieces line up together.
2. Use the fringe pieces to tie the two panels together. Tie around the pillow, leaving a 6" section untied.
3. Stuff the pillow through the 6" untied space. When finished, tie the remaining fringe pieces together.
