

48/5914 Foam Silly Monster Magnet Craft Kit

Be sure to have adult supervision if using hot glue gun for this craft.

Purple Monster:

1. Punch out small teeth and glue those and the other set of teeth onto the mouth printed on the purple body. Glue the piece of candy corn on the mouth as shown.
2. Glue on wiggle eyes and yellow pom-pom nose.
3. Take the green arms and punch out, and the orange/black horns and punch out. Glue the horns, arms and orange legs to the purple monster body.
4. Glue the orange pom-poms onto each horn.
5. Allow the craft to dry and glue the magnet onto the back side of the monster. Be sure to test for the magnetic side before gluing magnet on.

Orange Monster:

1. Punch out small teeth, glue those and the other set of teeth onto the mouth printed on the orange body as shown.
2. Position the yellow arms, purple wings, yellow/black legs and yellow/black horns and glue onto orange body.
3. Glue the wiggle eye to the face and glue the purple pom-poms onto each horn.
4. Allow the craft to dry and glue the magnet onto the back side of the monster. Be sure to test for the magnetic side before gluing magnet on.

Green Monster:

1. Glue red tongue onto mouth printed on green body. Punch out small teeth and glue those and the other set of teeth only the mouth and tongue. Glue yellow candy piece onto tongue. See illustration below.
3. Take the 3 purple "c-shaped" pieces and glue onto the top of body as shown below. Glue the 3 eyes on top. Glue on orange pom-pom nose.
3. Take the purple arms and the orange/purple legs and glue onto the green monster body.
4. Glue the 4 yellow feet onto the orange/purple legs.
5. Allow the craft to dry and glue the magnet onto the back side of the monster. Be sure to test for the magnetic side before gluing the magnet on.
