SALES TAX

We currently collect sales tax in all states that impose a sales tax other than Missouri. Your purchase for delivery in Missouri is subject to sales and use tax unless it is specifically exempt and those states require that purchasers file the appropriate tax forms annually and report all taxable purchases. You may obtain additional information regarding whether or how to remit sales or use tax from your state's department of revenue, tax commission or similar tax collection authority.

As a consequence of court decisions and state law changes, we expect to begin collecting sales tax in Missouri in the near future. For the most up-to-date listing of states for which we collect sales tax, please go to funexpress.com and click on Help & FAQ link found at the bottom of our website.
